END OF THE YEAR 2009 REPORT
AGM NOVEMBER 30 2009

Committee Status

Brishkay Ahmed will not be returning to the board because of travel and other commitments
Sally Aitken will be in Australia and still interested in being a part of the Doc Board in some manner such as an overseas representative.

2009 News

Doc Board members started attending Capilano, VFS, SFU, but want to include other schools of too, and talked about the organization and introduced and recruited students.

Membership started in the beginning of the new year at about 155 (maybe a little more or less) and now has about 191- we have had an increase of about 35% (estimate) which is great. This is because of Doc Shadows, Doc Screens, Doc Talk, and visits at schools- we are getting the word out in a lot interesting ways as an organization.

The idea of creating a calender with dates of festivals/deadlines and funding is still there as a fundraiser idea and members of the new committee can continue with this if they like.

The POV promise with each membership has to be resolved because many members are not getting them.
