**OCTOBER 6**

**7 - 9 PM**

**SFU HARBOUR CENTRE**

**An interactive evening with  
specialists in the non-linear and  
new media fields**

Workshop to explore authoring technologies and the creative opportunities presented by explorative content. Join content creators, developers, distributors and funders to discuss ongoing changes and challenges in this exciting realm.

Presented by the Documentary Organization  
of Canada - BC Chapter - [www.docbc.org](http://www.docbc.org)

FREE for members  
\$10 for non-members
