

## **Doc BC -- Sponsorship Report November 26, 2008**

The sponsorship committee was challenged in 2008 in that it was reduced from three people to one: Leigh Badgley.

One of the key goals this year was to smooth out the billing process by working closely with Susanne Keeping, Treasurer. It's now easy to sign a sponsor up and submit invoices.

In 2008, sponsors were encouraged to upgrade their levels in an effort to reduce the number of Bronze sponsors. The thinking was that it's not really worth recruiting prospects for only \$250 per annum.

The new sponsors for this fiscal year are: UBC and Super U. Thankfully, most of our sponsors are committed to continuing their support of Doc BC in 2009.

Leigh recently left the Board after 2 ½ years and will happily work with the new Sponsorship Chair to hand over the files and information on our sponsors. Many sponsors need renewing now, so she's hoping that a new Board Member will offer to take on this role as soon as possible. Thanks to all Board members for contacts, leads and support.
